"Transforming Your Space Into A Special Place"

Are the rooms in your home suffering from **B. R. D.**(Bad Room Design)? **APPEALING DESIGNS** can help your space by creating a fresh new look using your current furniture and accessories.

A redesign breathes new life into your present space without breaking the bank as seen on TV shows like "Decorating Cents" on HGTV.

We offer a variety of services from one room redesigns to personal home decor shopping. Let **APPEALING DESIGNS** help you transform your space into a special place.

SERVICES

- ⊙ **REDESIGN/DECORATING CONSULTATION** - Often all a room needs is a few items rearranged to bring it to life. A couple of items out of place can detract from a room's overall appearance. This service ensures your room is aesthetically pleasing to the eye by helping you resolve design problems through offering suggestions and solutions for improvements.
- ⊙ **ROOM TRANSFORMATION (WITH CLIENT)** - One day make-over includes the rearrangement of your existing furnishings, art and accessories, as required, to create a comfortable environment while enhancing the appearance of your home in just a few hours.
- ⊙ **HOME STAGING** - House For Sale? A potential buyer's first impression of your home is crucial. You can't afford to give the wrong impression. The purpose of staging is to create appeal to a vast range of buyers. We will preview your home and provide you the list of changes needed for each room in order for your home to show off its best features. We can also assist you in staging your home if you choose.
- ⊙ **PERSONAL SHOPPING (WITH CLIENT)** - You may want to extend your make-over to the purchase of new furnishings and accessories. We can aid you in determining the best choice to compliment your current style or to completely reinvent it!
