

## Pre-School Workshops

April through August

**With Special Earth Day Programs!**

Preschool workshops are drop off program for ages 3 to 4. These programs are designed for children who are in or will be entering a preschool program. For many it is a first experience in a class environment without a parent. The workshops will include stories, crafts and interactive activities. Pre-registration using the Program and Workshop Form and prepayment must be made for all programs.

**Times: 10:00 am to 11:00 am**

**Days: Tuesday & Wednesday in April & May.**

**Wednesday in June, July & August**

**Cost: \$12 per student per program for non Met members**

**\$10 per student per program for Met members**

**\*Members Special: Register your child for five workshops and get the 6<sup>th</sup> one free!**
