

Pledge Form

Challenges running and funding the Met and a resulting growing debt have led us to possible eviction and closing August 31. We have three goals for this "Save the Met" campaign:

- Raise \$50,000 in cash and pledges to cover back rent and immediate expenses.
- Increase the Board of Directors from the current seven to 20 - 25 connected, energetic members.
- Secure new partners for three-year Corporate and Exhibit Sponsorships totalling at least \$25,000 annually.

You can help by making a Personal or Business Pledge by phone, online, or with this form. We will contact you for your tax-deductible payment once we reach our goal.

For info on joining the Board or partnering through a Corporate or Exhibit Sponsorship, please call. Thank You!
