

The Met's Summer Enrichment Programs

Summer Enrichment Programs are drop off workshops designed for children between the ages of 4 and 6 years old. Children under the age of 4 may register if they are fully potty trained. Programs run 9:30 am to noon on Mondays, Tuesdays and Thursdays in July and August. You can register for just one or all 23 programs. Snacks and supplies are included in the cost of each program.

TUITION: \$20 per class, per student for Met and ACM members

A Just for Met Members Special:

Register for 5 classes and get the 6th class free!

\$25 per class, per student for non-members

Please return the registration form with your tuition payment. NO PHONE REGISTRATION WILL BE ACCEPTED. You will receive a confirmation of your registration in the mail. Refunds will be made only if students cancel two weeks prior to the class. A full refund will be made if a program is cancelled.

BY THE SEA

Monday, July 2nd

In this workshop we'll build sand castles, make waves and learn about the animals and treasures you might find at the beach.

FLOWERS, TWIGS & ROCKS

Thursday, July 5th

A walk down a trail will supply us with the items we'll use to make wonderful works of art.

ART FROM NATURE

Monday, July 9th

We'll use shells, stones, and plants, to create beautiful pieces of art.

HOCUS POCUS

Tuesday, July 10th

Now you see it, now you don't. Learn tricks and illusions you can amaze your friends and family with. This program will end with a show for parents.

FABULOUS FORTS

Thursday, July 12th

We'll use all kinds of materials to build some really great forts and we'll learn about some real forts.

SCIENCE WONDERS

Monday, July 16th

Spend the morning doing all kinds of science experiments and learn some tricks to amaze your families.
