

Membership

Options

There are three options for membership to
The Met!

Option 1: Met-for-Two

\$60.00

Met-for-Two membership allows unlimited admission and great discounts on programs and birthday parties for 12 months for one adult and child. This membership can not be used for admission on fieldtrips or for other children's birthday parties or for admission in other children's museums.

Option 2: The Met & Association of Children's Museums Membership \$100.00

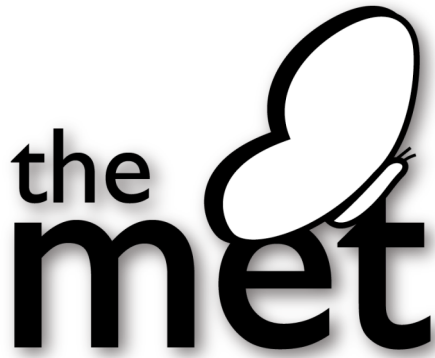

A Met & ACM membership not only allows free admission and discounts to The Met for your family, which includes parents, children, grandparents and a sitter or nanny (up to 6 people), it also allows free admission to over 130 children's museums around the country. Regional ACM museums include Boston, MA, Portsmouth, NH, and Portland ME. Discounts on programs in museums other than The Met are not available. A complete list of participating museums can be found at www.childrensmuseums.org. This membership can not be used for fieldtrip admission or for other children's birthday parties.

Option 3: Membership Donation

\$75.00

For some young families our membership fees, while an extremely good value, may not be within their budget. You can make it possible for a deserving family to take advantage of all The Met has to offer. You can make a directed donation of \$75.00 and we will give a Met Family Membership to a family who can use it. A local family service organization will assist with the determination of a qualified family and oversee the donation.
